MAY'S SPECIAL "MINISTRY TEAM" REPORT

"Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." – John 4:35

My Dear Friend, May 1, 2022

Join with me and let's TOGETHER accept and obey this wonderful challenge given by our Savior. Jesus first said - "Lift up your eyes"! Next, as instructed by our Savior, let's focus our gaze on the correct object - "the Fields". These are regions of our world, both here and abroad, that so desperately need the Gospel.

Thirdly, while doing so, let's meditate on the promised results - "for they (the fields) are white already to harvest." What a promise! We can pray for, work for, and EXPECT great results. How wonderful is that? This month, in this Special "Ministry Team" Report we are going to do just that…. Together, we will lift up our eyes! We will focus on the lost of our world who need the Gospel! All the while, noting the open doors God has set before us! Rejoicing over the great things HE is doing!

Please note this - at the close of our report, we will revisit the first phrase of our text verse, asking God to enable us to avoid a pitfall, the main danger that will hinder us from serving Him with all our heart. Ready to begin? It's such a joy to share the following with you!!

PAPUA, NEW GUINEA - A Campaign Of Great Magnitude

May 6-20 - 9 Million Souls are in the balance

On Friday May 6, Bryan and LeAnne Treadway will leave for Papua, New Guinea to conduct one of our largest "first time" Witness Project campaigns. 600 national pastors are expected! Each will be trained and equipped in soul winning and church planting… receiving the "Operation Go" program… enabling them to return to their home church prepared to train scores of soul winners while planting numbers of churches!

Serving as missionaries, the Treadways left New Guinea in 1999, returning to the US. They now travel back with great expectations; partnering with solid churches and leadership they established and left in place. A foundation will be established to grow our Gospel outreach in all the South Pacific.

Urgent prayer is needed:

- Pray for a harvest of souls during the evening crusades.
- Pray for the Holy Spirit's enabling, conviction and power during the training.
- Pray for Bryan and LeeAnn's safety and health.
- Pray for the national pastors who will be attending and all logistics.
- Praise the Lord for providing the major expenses for the campaign. And pray that the funding for the establishment of the leadership base will be in place; enabling us to multiply our efforts.

JAMES ADAMS' Moving Article Of Tribute And Praise

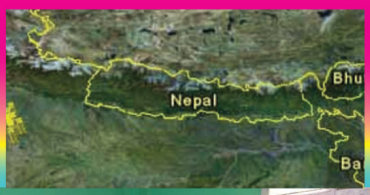
On January 8, Sandy Seaba, my close pastor friend of 51 years went HOME! I asked Brother Adams to share the following:

"A key word in the world-wide ministry of Operation Go International is PARTNERSHIP. One of the great blessings I have enjoyed in my 12-year ministry as Latin American Director has been partnering with local churches with not only a VISION for world evangelism but also a personal COMMITMENT that is constant. One such example is the Elm Grove Baptist Church in Bonner Springs, Kansas. They have been one of our partners for many years under the faithful ministry of Pastor Sandy Seaba and his dear wife of 55 years, Debbie. This past January 8th, God saw fit to call this beloved pastor home to Heaven thus ending a fruitful ministry of almost 48 years at Elm Grove. Although now absent from the body and present with the Lord, Brother Sandy's ministry legacy of commitment to the Great Commission continues in the lives of those in whom he invested himself. It was my privilege to minister at Elm Grove on Sunday, March 20. Early that morning Elm Grove suffered another great loss in the home going of Mrs. Seaba after a long illness. However, that morning the church was filled with faithful members intent on living out the example of commitment and faithfulness of their pastor. In addition, they have funded our Training Institute in Peru in July. What a testimony of the faithful ministry of Pastor and Mrs. Seaba and the love and respect of those dear people in whom they invested so much of their lives!"

Pray For: The May Witness Project Campaigns In Latin America

NEPAL

YOU PRAYED, YOU SACRIFICED, AND NOW … THE HARVEST



For the past two months, we have been praying and asking God to help us to fund a campaign in Nepal; another previously unreached country for our ministry. Thomas Maher has been working and planning to make this difficult outreach possible. I just received a glowing report from him that helps us once again be assured that we can rest upon the mighty hand of our God. Let me share some of the facts:

- The Witness Project campaign was held from March 28-April 1
- 166 delegates attended - some from bordering Bangladesh and India - including Missions Leaders
- Lodging, food, and some travel expense was provided
- They committed to train 16,849 lay soul winners and plant 984 churches in two years!!

Thank you for "lifting up your eyes" on this "white field." Let's pray much as the "harvest" is reaped.

INDIA - Phase 3 Step #5 - God's Blessings Abounded

2,122 PASTORS TRAINED

EXCEEDED BY **322**

The Next 24 Months Are Poised For An Abundant Harvest

On April 19-26, in each of India's 36 states, national pastors assembled to be trained and equipped in soul winning and church planting. Meaning that they would learn the "how to" of soul winning, practice in training centers, and then, in public on the streets and in their markets winning precious souls to Christ! The goal was 50 pastors to assemble per state; which would be a grand total of 1800 pastors. This number was exceeded by 322 - making a grand total of 2,122 pastors trained and equipped IN THEIR OWN LANGUAGE.

After 3 days, at graduation, each pastor had set a goal signifying, after returning to his church, how many soul winners he would train and the number of home churches he would plant in the following 24 months. Each was then given the complete Operation Go International Program. This corresponds directly to the Operation Go Local Church Edition used here in the states. Again, all material was in his own language.

Collectively, the 2,122 pastors set goals to train nearly 200,000 lay soul winners in the next 24 months! In the process, they would strive to plant over 15,000 home churches. We must bathe this amazing national outreach in prayer!! With each lay soul winner trained reaching only 10 others with the Gospel during the next 24 months - nearly TWO MILLION precious souls will receive the Gospel - many, many will be saved!

What a joy to LIFT UP OUR EYES and LOOK on the FIELDS that are WHITE UNTO HARVEST in India!! You will receive a few highlights in June's Special "Ministry Team" Report.

Our prayer goal is to fund this wonderful strategic outreach step twice per year. You have just read a little bit of the unbelievable results of Step #5. With God's enablement, we will take Step #6 this Fall! Would you pray over helping us take this tremendous step of faith. Perhaps, sponsoring one of the 36 states. India Phase 3

April's Four Weeks Of Soul Winning & Revival Here In America!

The month of April was not only four weeks of Gospel outreach worldwide; but also a season of soul winning and revival right here in the US! Combined, Brother Bryan and I were able to be in 9 churches. These meetings included crusades, soul winning training, mission conferences and evangelistic rallies. I was particularly blessed with the opportunity to hold two rallies in Charlottesville, Virginia featuring the Dramatized Presentation of the Crucifixion. Please continue to pray for our expanding outreach right here at home.

OPERATION GO - Training Producing Proficient Witnesses Of The Gospel

"Inspiration Without Education Leads To Frustration"

Many believers do not witness and win others to Christ, not from lack of desire; but from lack of training. "Operation Go" continues to stand in the gap as America's leading Soul Winning Training Program. Pictured is the March 26th opening training session at Calvary Baptist Church of Liberty, SC, Curtis King, pastor. Using the "Local Church Edition" of Operation Go, these 10 believers are entering the first of 13 weekly sessions in a trainer/trainee relationship built on commitment and accountability. Every 13 weeks, the potential exists to double this number of trained soul winners! Use the QR Code to learn more.

Operation Go
Local Church Edition

Operation Go
Group Edition

Additionally, the Operation Go "Group Edition" offers leaders the opportunity to train their entire group during its regular gathering. Used in many Sunday School classes and Bible Study Groups, many have won their first soul ever to Christ! Using videos and workbooks, it is very effective in Christian Schools. Pastors have trained their congregation on Wednesday nights! Use the QR Code to learn more.

My friend, church by church we are taking steps like this across America. I wanted you to know that "all of the meetings Brother Treadway and myself are holding week by week do not end, but offer a beginning in producing trained soul winners here in the US; as is happening abroad.

In closing, let's take a minute to revisit our text verse. During our time together, we have been "lifting up our eyes." Then, one by one visiting some of the "fields" of the world. And, rejoicing that they have been white unto the harvest and that God has allowed us to be effective in reaping the harvest.

However, I believe that it profits us to note the warning Jesus gave against complacency. He said, "Say not ye, There are yet four months, and then cometh harvest." In other words, we must strive to reap the harvest today… now! In doing so we will also be sowing and watering the Gospel Seed.

My friend, thank you for enabling this ministry not to slow down, to wait, or to put off our mission!! This is so important! Thank you for stepping up, for filling the gap, for praying, for sacrificing… well…for making a report like this possible! So, let's do just that… let's daily "Lift Up Our Eyes." Each soul saved is because of your prayers and support.

May God continue to bless you and enable you by His grace. We truly love you and pray for you.

Yours For Souls,

David A. Wood, Evangelist
