Dear Partners in Prayer & Ministry:

This past month of March has been a busy one and blest by our dear Lord. I was in meetings in Texas and Kansas that were a blessing and yielded fruit for our dear Lord. Also, our Central American Team was in Nicaragua ministering in 3 different places (Photos below).

This month will be busy preparing for 3 weeks of ministry in South Carolina in May and our scheduled ministry in June and July in South America (Uruguay, Bolivia, Paraguay, and Peru). Three of these are new fields for our ministry. Also, our son Tim and his family will be hosting the Ramos family, missionaries raising support to go to New Zealand. Because of Tim’s involvement and help plus the generosity of Ascension Saint Thomas, Bro. Ramos’ son, Antonio, will receive a much needed second surgery for a condition that was treated a few years ago in Miami but has since returned. It is scheduled in Nashville on April 28. God willing, they will be here for about two weeks of recuperation following the surgery. Please remember these needs in special prayer.

If the Lord allows us to complete the schedule thus far of planned Institutes for this year by year’s end, with God’s help, we will have conducted 20 Institutes in 10 different countries in Latin America with the potential of training over 1400 pastors/leaders. We have added 2 Institutes in the Dominican Republic. Also, we will have expanded our ministry presence into 6 new countries. The Elm Grove Baptist Church in Bonner Springs, KS. has graciously funded our Peru Institute. At present we still need \$8500 to completely fund the remaining Institutes. Thank you for your faithful prayers and financial support.

Your servant for Jesus’ sake,
