Praise & Prayer Letter – October 2022

"... they received the word with all readiness of mind..." (Acts 17:11)

Dear Partners in Prayer & Ministry:

Greetings again to all our dear friends and ministry partners! How I praise the Lord for each of you who stand with me in prayerful support month after month. It is your faithful partnership and God's Grace and strength that affords me the awesome privilege to serve Him as I do. **THANK YOU!!!**

The month of September was a month filled with the blessings of the Lord! I was in two new fields for our ministry, one in South America (Ecuador) and one in the Caribbean (Dominican Republic). As always, I have the honor of meeting and serving some of God's choicest servants who labor faithfully to proclaim the life-changing message of the Gospel.

In Ecuador Bro. Joshua Ellison and I served with a dear Bolivian brother, Francisco Damaso, among his people, the Quichua. We were able to train a total of 146 pastors/ leaders/seminary students in two Institutes in Guayaquil and Riobamba. They in turn set goals to train 2,228 new soulwinners and plant 10 new churches in the next two years. This is exciting because it represents a renewed burden and vision for personal evangelism and church planting among these dear people. It was a blessing to have Bro. Joshua ministering with me. He spoke in both Institutes and was a great help.

In the Dominican Republic, Bro. Bryan and LeAnne Treadway joined with me again for an Institute in Santo Domingo and Bro. Bryan spoke in the host church founded and pastored by missionary Ronnie Autrey. From there I traveled with missionary Ethan Prater to Constanza, a beautiful mountain community, for a second Institute. God was gracias to bless and we were able to train another 72 pastors/leaders who committed to training 3,624 new soulwinners and plant 30 new churches in the next two years. It is also important to note that some of these pastors and leaders are beginning their first organized ministry of training their own members in personal soulwinning.
