PRAISE & PRAYER LETTER

May 2023

Dear Partners in Prayer & Ministry:

I just returned home early this past Tuesday from some 15 days of ministry and fellowship with several Quichua pastors, leaders and congregations in Ecuador. This was my third trip to this beautiful country and my second ministry opportunity among my Quichua brethren.

Thank you for allowing me this great privilege by your faithful prayers and provision. I praise the Lord for His presence, power and the fruit that He so graciously gave and that is reported below. Please begin to pray with me for our next ministry in July in Asunción, Paraguay, God willing. We were there last year with great success. Reports we received since then have been so encouraging with many being saved, baptized and added to the churches.

James Adams Latin America
