## Praise & Prayer Letter – September 2025

Dear Partners in Prayer & Ministry:

**Thank you** for your **partnership** in **prayer**! My trip to Chile was a great success! I must confess I had some concerns since it was my first international trip since my illness in February. But God was faithful in His presence, protection, and provision. What a wonderful Lord we serve and what a privilege to do so!

The response of the pastors/leaders and their wives in attendance was gratifying and made the almost 25-hour trip more than worthwhile. The morning sessions averaged 60 and the evening sessions averaged 160. The church services on Wednesday and Sunday were filled and the Youth Service on Saturday evening was a real blessing with many making personal decisions for the Lord. Pastor Espinoza, his staff, and the church membership are always so gracious and hospitable. What a joy to see pastors with their wives and children at the altar praying together! I have been invited back next year in October 13-15 for their Conference on Fundamentalism. I am told this annual Conference draws pastors/leaders, evangelists, and missionaries from various Latin American countries as well as the United States. Pastor Espinoza expects an attendance of 300+. It will be a wonderful opportunity to contact new pastors and broaden our ministry presence throughout Latin America. Please add that date to your Prayer List.

I cannot overemphasize the power of your partnership in our efforts in Latin America as well as in the ministry of OGI worldwide. God is using **YOUR PRAYERS** and **YOUR GIVING** to **touch, encourage** and, in some instances, **transform** lives for His Glory. **THANK YOU!!!**
